

## ANNUAL REPORT

I am pleased to announce that in 2004 the Harvest of Hope Foundation reached several milestones:

- Over **\$70,000** in aid to **migrant farm workers and families** around the country was distributed by the Foundation – a record amount for one year.
- Of this amount, **\$29,000** was provided for education and scholarship aid to migrant students attending college – a substantial increase over past years.
- The Harvest of Hope Foundation now houses 20 funds (see opposite page) established by individuals and groups for specific charitable purposes to aid migrant farmworkers and families.

The Harvest of Hope Foundation is frequently called upon as a last resort to help migrant farm workers and families when all other resources are limited or are not available. **YOUR HELP** is very much needed and we wish to give you the opportunity to designate your donation towards one or more of the following categories listed below.

For more information on the Harvest of Hope Foundation, please visit our web-site at: [www.harvestofhope.net](http://www.harvestofhope.net) or contact me at: 1.888.922.4673 or [Kellerhope@cox.net](mailto:Kellerhope@cox.net).

Happy Holidays and please say thanks to those who help to harvest our nation's food.

Sincerely,

Philip Kellerman, President

## **PRESS RELEASE**

### **ANNUAL REPORT**

The **Harvest of Hope Foundation**, based in Gainesville, Florida, is pleased to announce that several milestones were achieved in 2004.

- Over **\$70,000** in aid to **migrant farm workers and families** around the country was distributed by the Foundation – a record amount for one year.
- Of this amount, **\$29,000** was provided for education and scholarship aid to migrant students attending college – a substantial increase over past years.
- The Harvest of Hope Foundation now houses 20 funds (see opposite page) established by individuals and groups for specific charitable purposes to aid migrant farmworkers and families.

The Harvest of Hope Foundation is frequently called upon as a last resort to help migrant farm workers and families when all other resources are limited or are not available. The Foundation is the only national non-profit organization in which all of its funds raised are used to exclusively aid migrant farmworkers and families. Assistance is provided for vehicle repairs due to breakdowns while traveling, housing, utility payments, medical services, food, clothing, funeral expenses and educational costs. Since its establishment in 1997, the Harvest of Hope Foundation has distributed more than \$265,000.
